The following is a list of required equipment each person needs to bring to training.
Tactical Uniforms, Body Armor, Helmets, Gloves, Gas Masks, Eye and Ear Protection, Gun Belt and Holster (Bring all the gear you would need for an actual operation)

Weapons*:* Whatever type pistol, sub machine gun or Tactical Carbine. Some simunition gear will be provided however students should bring their own if possible. Ensure that all weapons are zeroed and in good working condition ***prior*** to arriving for the school.

Ammunition:
300 rounds handgun per student
300 rounds sub-machine gun or Tactical Carbine per student
10 to 15 Blank and/or dummy rounds for rifle and handgun
2 noise flash diversion devices per student is recommended, but not required.

Housing is barracks so students attending will need to bring a sleeping bag, shower towels and toiletry items. The guard at the front gate will know which barracks students are being housed in.

Students will need to report to the school no later than 0800 on Monday July 30th, 2012. Students traveling may report to the facility on Sunday July 29th, 2012. Training will conclude at 1700 each day. There is one range day. Diversion devices and Chemical agent delivery systems.

Students attending must be part of a formalized tactical team. The school will be limited to **30** students.
